BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Develop Additional Methods to Implement the California Renewables Portfolio Standard Program.	Rulemaking 06-02-012 (Filed February 16, 2006)

NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.3 of the Commission's Rules of Practice and Procedure, the Independent Energy Producers Association (IEP) submits this Notice of Ex Parte Communication.

On November 29, 2010 at approximately 4:25 p.m., Brian Cragg, outside counsel for IEP, left an ex parte voicemail message for Andrew Schwartz, advisor to Commissioner Peevey. The call was initiated by Mr. Cragg and the message lasted for approximately two minutes. No written materials were used in connection with the communication.

In the message, Mr. Cragg stated that transactions using firm transmission and real-time delivery of energy should be classified as bundled and that such classification could help overcome potential Commerce Clause objections to the tradable renewable energy credit (TREC) decision and avoid litigation that would delay the TREC program indefinitely.

Respectfully submitted this 2nd day of December, 2010 at San Francisco, California.
