AFFIDAVIT FOR ECONOMIC DEVELOPMENT INCENTIVE RATE
(MATERIAL FACTOR)

By signing this affidavit, an Applicant who locates, adds, or retains load in the service territory of Pacific Gas and Electric Company (PG&E) hereby certifies and declares under penalty or perjury under the laws of the State of California that the statements in the following paragraphs are true and correct:

1. The Applicant considers the terms of the "Supplemental Agreement for Economic Development Incentive on Electric Service" (Agreement) would ~~to~~ be a material factor in the Applicant's decision to locate, add, or retain load within the State of California.

2. The load to which the Agreement would apply~~ies~~ represents kilowatt-hours (kWh) and kilowatts (kW) that either (i) do not already exist in the State of California, or (ii) the Applicant considered relocating to a location outside of the State of California.

3. Applicant has discussed with PG&E Company the cost-effective conservation and load management measures the Applicant may take to reduce their electric bills and the load they place on the Utility System.

Executed this 12th day of AUGUST, 2004.
