RESOLUTION NO. W-1927

UTILITIES DIVISION
BRANCH/SECTION: Hydraulic
DATE: June 22, 1976

RESOLUTION

SUBJECT: Order authorizing Southern California Water Company to increase rates for water service in its Culver City District, Los Angeles County, to offset increases in purchased water, purchased power, wages and ad valorem taxes.

WHEREAS: SOUTHERN CALIFORNIA WATER COMPANY, by Advice Letter No. 483, filed May 19, 1976, requests authority under General Order No. 96-A, Section VI, and Section 454 of the Public Utilities Code, to increase rates for water service in its Culver City District, and

WHEREAS: The Commission is of the opinion, after investigation by its staff that the requested rate increase is reasonable,

THE COMMISSION FINDS that the increased rates hereby authorized are justified and that the present rates are, for the future, unjust and unreasonable.

IT IS ORDERED that Southern California Water Company is authorized to make effective the revised rate schedule attached to Advice Letter 483 and on the effective date herein to cancel the presently effective rate schedule for water service. The effective date of the revised rate schedule shall be July 1, 1976. The effective date of this resolution is the date hereof.
