RESOLUTION NO. W-1948

UTILITIES DIVISION
BRANCH/SECTION: Hydraulic
DATE: July 19, 1976

RESOLUTION

SUBJECT: Order authorizing Southern California Water Company to increase rates for water service in its Desert District, San Bernardino County, to offset increases in purchased power and wages.

WHEREAS: SOUTHERN CALIFORNIA WATER COMPANY, by Advice Letter No. 485-W, filed June 11, 1976, requests authority under General Order No. 96-A, Section VI, and Section 454 of the Public Utilities Code, to increase rates for water service in its Desert District, and

WHEREAS: The Commission is of the opinion, after investigation by its staff that the requested rate increase is reasonable,

THE COMMISSION FINDS that the increased rates hereby authorized are justified and that the present rates are, for the future, unjust and unreasonable.

IT IS ORDERED that Southern California Water Company is authorized to make effective the revised rate schedules attached to Advice Letter 485-W and on the effective date herein to cancel the presently effective rate schedules for water service. The effective date of the revised rate schedules shall be July 25, 1976. The effective date of this resolution is the date hereof.
