BEFORE THE PUBLIC UTILITIES COMMISSION OF THE

STATE OF CALIFORNIA

Order Instituting Rulemaking to Continue Implementation and Administration of California Renewables Portfolio Standard Program.	))))	Rulemaking 11-05-005 (Filed May 5, 2011)

NOTICE OF *EX PARTE* COMMUNICATION OF SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E)

Pursuant to Rule 8.4 of the Rules of Practice and Procedure of the California Public Utilities Commission ("Commission"), Southern California Edison Company ("SCE") hereby gives notice of the following *ex parte* communication.

On Wednesday, June 13, 2012, at approximately 5:15 p.m., Laura Genao, SCE's Director of Regulatory Affairs, had a conversation with Commissioner Michel Florio at the Redmond Municipal Airport in Redmond, Oregon. The conversation lasted approximately 5 minutes and was initiated by Commissioner Florio. No written materials were involved.

Ms. Genao stated that any changes to the Proposed Decision Setting Compliance Rules for the Renewables Portfolio Standard Program's provisions on the bankability of contracts executed prior to June 1, 2010 and the 36-month retirement period for renewable energy credits would reduce retail sellers' ability to optimize their portfolios and possibly require the procurement of additional resources at increased cost to customers, contrary to the Legislature's intent.

To receive a copy of this *ex parte* notice, please contact:

Cynthia Childs
