Notice to the Customer

To our Central Water System customers:

Please be advised that Del Oro Water Co. Inc., (DOWC) has applied to the California Public Utilities Commission for a Transfer of Ownership of Central Water System.

The rates and special conditions currently established for Central Water System are not scheduled to change as a result of the proposed transfer.

Once the application has been approved by the CPUC, you will be able to find your current rates and other pertinent information pertaining to your District on our web site at www.delorowater.com. If you have specific questions not covered on the web please do not hesitate to call or write to us. Our Call Center is open from 8:00 a.m. to 5:00 p.m. Monday thru Fridays, excluding major holidays, and you may leave a message 24/7 for staff to respond to by the next business day if received after hours. If the call volume is heavy at the time you call in, you may leave a message to avoid having to stay on hold.

The Call Center phone number for your district is 530-809-3975, the email address is communityrelations@corporatecenter.us and Del Oro Water Company's mailing address is Drawer 5172 Chico, CA 95927-5172.
