In the Matter of the Application of San Diego Gas & Electric Company and Southern California Gas Company for Authority to Integrate Their Gas Transmission Rates, Establish Firm Access Rights, and Provide Off-System Gas Transportation Services	A.04-12-004

NOTICE OF EX PARTE COMMUNUCATION

In accordance with Rules 8.3 and 8.5 of the Commission's Rules of Practice and Procedure, the California Manufacturers & Technology Association (CMTA) hereby files this notice of an ex parte communication that occurred on November 6, 2006.

I.

The ex parte communication occurred through a telephone call initiated by Keith McCrea, attorney for CMTA, to Andrew Campbell, advisor to Commissioner Rochelle Chong, at about 2:00 pm.

Mr. McCrea indicated that CMTA had a number of concerns with the PD and APD and expressed support for unbundling of the reservation fee. He further stated that CMTA was opposed to a Step 1 set aside for electric generators because it was discriminatory; some industrial customers also have contracts on upstream pipelines and yet do not receive a set aside. The Step 1 set aside for electric generators also is completely unnecessary from a reliability standpoint as well. Such a set aside would leave very little capacity at some receipt points for

other noncore customers in the Step 2 allocation. Mr. McCrea asked that the PD and APD be modified to correct these problems.

Respectfully submitted,

Keith R. McCrea
