ESTABLISHING A ZONE OF RATE FREEDOM -We request ZORF of rates of $25 above or below the rates in Exhibit 1, pursuant Pub. Util. Code Section 454.2. Due to numerous ride sharing drivers and taxi cabs in the area and high/low demand of service at times.

Public convenience and necessity require a grant of authority requested by the

Transportation is a big need in this rural area, with most of the resident's low income and with medical issues. We have provided service as a taxicab since 2013 with an emphasis on specialized customer service, although we have not made a profit during this time, we have provided transportation several hundred thousand of happy clients. The reason to switch from taxicab to PCS is to be able to provide better door to door service for these customers, it will help us keep rates affordable for those on low income as we have always offered lower rates to those with low income.

We also provide service to local bars to prevent drinking & driving and we support the millions of visitors that come from other countries to this great desert area. We expect grow to meet the many needs of this area. We will have at the start 1 vehicle that seats 4 passengers plus driver, the vehicle is a Ford Cmax hybrid to help the local environment and plan to expand after the pandemic to 4 more hybrid vehicles with similar seating. By having 24-hour dispatch, a mobile app & the ability for customers to book online, we believe our service is desperately needed. We will work with the local transit company to provide the service this community deserves.

The names of all county and city governmental entities, regional transportation

planning agencies and public transit operators within whose boundary's passengers

will be loaded or unloaded are attached hereto as **Exhibit 4.**

We request a waiver notification to any other transportation providers as we have sent notification to Town Of Yucca Valley, MBTA, County of San Bernardino & City of 29 Palms.

Wherefore, Applicant prays that certificate be granted authorizing the operation of the service herein above described and for such further order as may be proper.

Dated Yucca Valley, California, this 10_ day of March 2021.
