BEFORE THE PUBLIC UTILITIES COMMISSION OF CALIFORNIA

Order Instituting Rulemaking Pursuant to
Assembly Bill 2514 to Consider the Adoption
Of Procurement Targets for Viable and
Cost-Effective Energy Storage Systems.

Rulemaking 10-12-007
(filed December 16, 2010)

MOTION OF VIRIDITY ENERGY INC. FOR PARTY STATUS

Viridity Energy, Inc. (Viridity) respectfully moves for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission Rules of Practice and Procedure.

I. Viridity's Interest In this Proceeding

This Motion for Party Status is filed in order for Viridity to participate formally as an active party in this proceeding. Viridity is a demand response provider whose interests will be affected by the rules adopted in this proceeding. With Viridity's current project with the Southeastern Pennsylvania Transportation Authority (SEPTA) to install energy storage at their stations to provide regulation support to the local grid, Viridity is positioned to provide real-world experience to the barriers and cost-effectiveness of energy storage systems. Viridity has recently begun participating in this proceeding informally and by way of this Motion is also seeking the opportunity to formally participate in this proceeding.

II. NOTICES

Service of notices, orders, and other communications and correspondence in this proceeding should be directed to Viridity at the address set forth below.

III. CONCLUSION

Viridity's participation in this proceeding will not prejudice any party, delay the schedule nor broaden the scope of issues in the proceeding. For the reasons set forth herein, Viridity respectfully requests that the Commission grant this Motion for Party Status.

Respectfully submitted,

/s/ Laura Manz
