August 3, 2011

Pursuant to Rule 1.4(a)(4) of the California Public Utilities Commission's ("the Commission") Rules of Practice and Procedure, Utility Consumers' Action Network (UCAN) seeks to intervene in the above proceeding as an active party.

UCAN intervenes to represent the interest of small customers in the San Diego Gas & Electric service area. It will present expert testimony that will address the need for the PPAs and more cost-effective alternatives to them. UCAN is a frequent intervenor in cases related to SDG&E and has been repeatedly found to qualify as an intervenor in such matters.

For the reasons stated above, UCAN respectfully asks the Commission to allow UCAN to intervene in this proceeding as an active party.

Dated: August 3, 2011

Respectfully submitted,

Michael Shames
