**MOTION OF BEAR VALLEY ELECTRIC SERVICE,
A DIVISION OF GOLDEN STATE WATER COMPANY
FOR ORDER DECLARING NO HEARING
AND ACCEPTING TESTIMONY INTO EVIDENCE**

I. INTRODUCTION

Golden State Water Company (“GSWC”), on behalf of its Bear Valley Electric Service Division (“BVES”),¹ submits this motion pursuant to Rule 11.1 of the Commission’s Rules of Practice and Procedure.

BVES submitted an application on June 1, 2011 (the “Application”) for Commission approval of legal and outside service costs booked into the Renewables Portfolio Standard Memorandum Account (“RPSMA”). Due to technical difficulties, the Division of Ratepayer Advocates (“DRA”) July 5, 2011 protest to the Application (the “Protest”) was not accepted for filing by the Docket Office. On July 27, 2011, DRA formally withdrew its objection to the

Application because the information of the Application was cured by a later decision of the Commission in a separate docket.² Thus, there are no protests filed against the Application.

II. REQUEST FOR FINDING THAT HEARINGS ARE NOT NEEDED

In light of the facts that no protests have been filed and that there are no issues (material or otherwise) that are in dispute, BVES requests that a finding be made that no hearing is needed or required.

III. REQUEST PREPARED TESTIMONY BE ACCEPTED INTO EVIDENCE

Pursuant to Rule 13.8, GSWC requests that the prepared testimony of Ms. Tracey Drabant and Mr. David Morse be accepted into evidence. Attached to this motion are declarations under penalty of perjury by Ms. Drabant and Mr. Morse that each of their respective prepared testimonies in this proceeding is true and correct.

IV. CONCLUSION

There are no protests and no issues in dispute in this hearing. Accordingly, no hearings are required. To provide the Commission with a record upon which to make a decision, the testimony of Ms. Tracey Drabant and Mr. David Morse should be accepted into evidence.

² Withdrawal of Motion of the Division of Ratepayer Advocates, July 27, 2011.

In light of the above, BVES respectfully requests that an order be issued concluding that no hearings are required and the testimony of Ms. Drabant and Mr. Morse be accepted into evidence, and that the Commission promptly issue and approve a decision granting each request set forth in Section IV of the Application.

Dated: August 10, 2011

Respectfully submitted,

/s/ Keith Switzer
