In accordance with Rule 11.1 of the Commission's Rules of Practice and Procedure, West Coast gas Company ("WCG") hereby respectfully submits its motion requesting leave to late-file its California Safety Plan in compliance with D. 12-04-010.

WHEREFORE WCG respectfully requests that it be granted leave to late-file its California Safety Plan in compliance with D. 12-04-010. A proposed form of order is included as Attachment A hereto.

Respectfully submitted July 20, 2012 at San Francisco, California.
