**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

In the Matter of the Application of San Diego Gas & Electric Company (U 902 G) and Southern California Gas Company (U 904 G) for Authority to Revise their Rates, Effective January 1, 2009, in their Biennial Cost Allocation Proceeding.

Application 08-02-001
(Filed February 4, 2008)

**JOINT MOTION OF
SAN DIEGO GAS & ELECTRIC COMPANY (U 902 G),
SOUTHERN CALIFORNIA GAS COMPANY (U 904 G),
THE DIVISION OF RATEPAYER ADVOCATES AND
SOUTHERN CALIFORNIA EDISON COMPANY (U 338 E)
FOR MODIFICATION OF PHASE TWO PROCEDURAL SCHEDULE
AND REQUEST FOR ORDER SHORTENING TIME IN WHICH TO RESPOND**

In accordance with Rule 11.1 of the Commission's Rules of Practice and Procedure, San Diego Gas & Electric Company ("SDG&E"), Southern California Gas Company ("SoCalGas"), the Division of Ratepayer Advocates ("DRA") and Southern California Edison Company ("SCE") (collectively "Joint Parties") hereby request modification of the procedural schedule applicable to Phase Two of the instant proceeding.^{1/}

The Joint Parties have conferred with most active parties in the proceeding, including the Southern California Generation Coalition, the Indicated Producers, the California Manufacturers and Technology Association, Southwest Gas Corp., the City of Long Beach and Shell Energy North America, all of whom have indicated that they have no objection to the proposed modification of the procedural schedule. Given the general

^{1/} Pursuant to Rule 1.8(c), DRA and SCE have authorized SDG&E/SoCalGas to sign and tender this Motion on their behalf.

agreement of the parties to the revised procedural schedule and the need, as discussed below, to confirm adjustment of the schedule prior to the current October 17, 2008 deadline for submission of DRA's testimony, the Joint Parties respectfully request pursuant to Rule 11.1(e), that responses to its motions be filed and served no later than October 7, 2008.

The Phase Two procedural schedule was established in the *Scoping Memo and Ruling of the Assigned Commissioner and Administrative Law Judge* ("Ruling") issued on April 17, 2008. The procedural schedule set forth in the Ruling requires DRA to serve its Phase Two testimony on or before October 17, 2008. Intervenor testimony is due approximately one month later, on November 14, 2008, and rebuttal testimony is due approximately one month after that, on December 12, 2008. Hearings are set to begin January 20, 2009.

In order to correct certain material errors discovered in its testimony, SDG&E and SoCalGas intend to serve amended versions of the testimony of Herbert Emmrich, Allison Smith, Gary Lenart and Jason Bonnett. DRA has advised SDG&E and SoCalGas that review of this amended testimony will require additional time and, accordingly, that it will not be possible for it to meet the current October 17, 2008 deadline for service of its testimony. DRA has therefore proposed a revised date of November 21, 2008 for service of its testimony. Modification of the procedural schedule to include a revised date for service of DRA's testimony necessitates amendment of all subsequent schedule

dates as well. Thus, the Joint Parties propose the following amended Phase Two Procedural Schedule:

DRA testimony to be served.	November 21, 2008
Intervenor testimony to be served.	December 19, 2008
Rebuttal to Intervenor and DRA testimony to be served.	January 23, 2009
Evidentiary hearings to be held in the Commission Courtroom, 505 Van Ness Avenue, San Francisco.	February 23 - March 6, 2009
Opening briefs to be filed, and request for oral argument in Phase Two.	To be determined
Reply briefs to be filed.	To be determined
Projected submission for Phase Two.	To be determined
Proposed decision issued.	To be determined
Comments and reply comments on proposed decision.	In accordance with Rule 14.3 of the Commission's Rules of Practice and Procedure
Decision adopted by the Commission.	To be determined

As noted above, the Joint Parties have conferred with most active parties in this proceeding, none of whom have cited an objection to the modified procedural schedule proposed above. The above schedule takes into account certain scheduling requests of the parties, as well as various Commission holidays.

Grant of the instant motion will serve the public interest where it will facilitate DRA's ability to perform a thorough examination of the testimony prepared by SDG&E/SoCalGas, and will provide all parties adequate time to produce additional testimony and to prepare for hearings. In addition, the procedural schedule proposed by the Joint Parties is intended to provide adequate time to engage in meaningful settlement discussions between service of rebuttal testimony and the commencement of hearings. Accordingly, the Joint Parties respectfully request that the motion be granted.

Dated this 1st day of October, 2008 in San Diego, California

Respectfully Submitted,

/s/ Aimee M. Smith
