Order Instituting Rulemaking to Consider
Roadway Worker Protections by Transit
Agencies in California.

Rulemaking 09-01-020
(Filed January 29, 2009)

**SECOND AMENDMENT TO SCOPING MEMO AND RULING
REVISING PROCEEDING SCHEDULE**

In view of the active interest amongst the parties¹ to this proceeding who are currently engaged in an ongoing and potentially valuable discussion with the Commission's Consumer Protection and Safety Division (CPSD), CPSD is directed to continue its efforts to facilitate discussion and/or dialogue amongst all parties to this proceeding. I am advised by CPSD that, to allow for a thoughtful conclusion of the above efforts, the proceeding schedule should be further revised. Accordingly, just and good cause shown, the proceeding schedule is further revised as follows:

¹ Party status is for those planning to actively participate in this rulemaking through, at a minimum, submission of written comments on the questions raised in the Preliminary Scoping Memo. State Service status is for employees of the State of California who will not be submitting comments. Information Only status is for those who wish to follow the proceeding and receive documents associated with it, but who will not be actively participating.

Event	Date
CPSD Facilitation of Discussions and/or Dialogue	November 2010 - February 2011
Filing and service of Joint Parties' Motion (outlining any and all agreed-upon proposed general order provisions)	April 6, 2011
Proposed Decision	June - July 2011

IT IS RULED that the schedule for this proceeding is further revised as set forth herein.

Dated December 17, 2010, at San Francisco, California.
