Order Instituting Rulemaking to Implement
Commission Regulations Relating to the Safety
of Electric Utility Substations.

Rulemaking 10-09-001
(Filed September 2, 2010)

**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING MOTION TO FILE A SUR-REPLY TO REPLY COMMENTS OF
THE CITY AND COUNTY OF SAN FRANCISCO**

On November 5, 2010, Pacific Gas and Electric Company, Pacificorp, San Diego Gas and Electric Company, Southern California Edison Company, and Sierra Pacific Power Company filed a motion for leave to file a joint sur-reply to the reply comments of the City and County of San Francisco (CCSF). The joint sur-reply was attached to the motion.

Rulemaking 10-09-001 provided for comments to be filed within 30 days following mailing of the rulemaking and reply comments 15 days thereafter. CCSF did not file opening comments, but it did file reply comments. The reply comments contain substantive proposals that should have been raised in opening comments so that other parties could address them in reply comments. In order to provide the moving parties a chance to respond to CCSF's proposals, the motion is granted.

IT IS RULED that the November 5, 2010 motion of Pacific Gas and Electric Company, Pacificorp, San Diego Gas and Electric Company, Southern California Edison Company, and Sierra Pacific Power Company for leave to file a joint sur-reply to the reply comments of the City and County of San Francisco is granted.

Dated November 9, 2010, at San Francisco, California.
