**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking Regarding Policies and Protocols for Demand Response Load Impact Estimates, Cost-Effectiveness Methodologies, Megawatt Goals and Alignment with California Independent System Operator Market Design Protocols.

Rulemaking 07-01-041  
(Filed January 25, 2007)

**ADMINISTRATIVE LAW JUDGE'S RULING RESCHEDULING WORKSHOPS  
ON REMAINING DIRECT PARTICIPATION ISSUES (PHASE IV, PART 2)**

By ruling dated November 8, 2010 Administrative Law Judge (ALJ) Darwin E. Farrar solicited further input from parties on consumer protection, financial settlement and communication, and other issues that require resolution before the Commission allows direct bidding in the California Independent System Operator's markets. In that same ruling ALJ Farrar scheduled workshops on the aforementioned issues for January 11 - 13, 2011.

By this ruling the date for the scheduled workshops is changed from January 11 - 13, 2011 to January 19 - 20, 2011. So as to maintain consistency, the dates for the workshop reports, comments on the workshop reports, and reply comments on the workshop reports are also extended to February 1, 2011, February 11, 2011, and February 18, 2011, respectively. The workshops shall be held at the offices of the California Public Utilities Commission, in San Francisco,

California, from 10:00 a.m. to 5:00 p.m. on the first day, and from 9:00 a.m. to 5:00 p.m. the following days.

**IT IS RULED** that:

1. The workshop originally scheduled for January 11 - 13, 2011 shall be held January 19 - 21, 2011.
2. The workshop report originally scheduled for January 24, 2011 shall be filed by the Investor-Owned Utilities by February 1, 2011.
3. Parties may file comments on the workshop report by February 11, 2011.
4. Parties may file reply comments by February 18, 2011.

Dated December 23, 2010, at San Francisco, California.
