July 10, 2009
10 am – 5 pm

California Public Utilities Commission
505 Van Ness Avenue, Hearing Room E
(Corner of Van Ness Avenue and McAllister Street)
San Francisco

The Commission's Consumer Protection and Safety Division (CPSD) will host a workshop in R.08-10-007 on the above dates. The purpose of this workshop is to provide a forum for additional discussion and public input as to whether the temporary measures adopted in Resolution SX-88 or other measures restricting personal use of electronic devices by rail transit personnel should be adopted on a permanent basis. Parties are encouraged to attend and provide input on the issues described in the Preliminary Scoping Memo dated October 16, 2008, in R.08-10-007.

Discussion topics will include, but will not be limited to:

- 1) Potential levels of restrictions on possession and use of personal and rail transit agency-issued devices; and
- 2) Which employees, devices, and situations are to be covered; how to address emergency situations; and comparing and evaluating potential compliance and enforcement methods/measures which may be adopted.

An agenda will be released and served on the service list of R.08-10-007. Post-workshop comments will be due 15 days after the workshop.

The agenda can be found here: http://www.cpuc.ca.gov/PUC/hottopics/4railsafety/090629_cellphone.htm.
