Workshop Notice

<p><i>September 26, 2002</i> <i>9 am – 4 pm</i></p>	<p><i>California Public Utilities Commission</i> <i>Training Room</i> <i>505 Van Ness Avenue</i> <i>San Francisco</i></p>
----------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------

The Telecommunications Division staff (staff) will conduct a workshop pursuant to Commission Decision (D.) 02-06-072 in Rulemaking 02-02-020. D.02-06-072 implemented the current acceptable 3% error rate for telephone connections made by predictive dialers (PDs) for which no agent or telemarketer is available to speak to the person called. By D.02-06-072 the Commission also established related, interim record-keeping requirements. The workshop will address: 1) further requirements for record-keeping on these PD connections; 2) methods for educating consumers about do-not-call registers and other means to discourage unwanted calls; 3) the feasibility of accomplishing the 1% acceptable error rate in PD use that is scheduled to become the new standard on January 1, 2003, and; 4) whether a revised acceptable error rate for PD use should be made effective January 1, 2003, or on some later date.

Within 20 days of the close of the workshop, staff will file and serve its workshop recommendations to the Commission. Comments on these recommendations may be filed and served by other parties 10 days thereafter. A workshop agenda is available by clicking here: <http://www.cpuc.ca.gov/PUBLISHED/REPORT/18905.htm>

The workshop location is accessible to people with disabilities. If specialized accommodations for the disabled are needed, e.g. sign language interpreters, please call the Public Advisor at (415) 703-2074 or TTY# (415) 703-5282 or toll free # 1-866-836-7825 three business days in advance of the workshop. Participants are advised that the room being used for the workshop will be used by a different group during the lunch hour (12:00

– 1:00 p.m.), and participants will be required to take their belongings with them during the lunch break.

Questions regarding the workshop should be addressed to Jerry Kerschman at (415) 703-1794, or via e-mail at jjk@cpuc.ca.gov.
