

GENERAL ORDER No. 124-C
(Supersedes General Order No. 124-B)

**Public Utilities Commission of the
State of California**

FILING OF ANNUAL REPORTS BY HOUSEHOLD GOODS CARRIERS

Adopted April 2, 1980; Effective April 2, 1980
(Resolution No. RF-2)

Section 1. Pursuant to the provisions of Section 5221 of the Public Utilities Code:

IT IS HEREBY ORDERED that each household goods carrier which has annual gross operating revenues (including interstate and intrastate) of \$500,000 or more from carrier operations under a permit granted pursuant to appropriate authority of the Public Utilities Code, shall file with the Commission on or before the 30th day of April of each year, or such other date as the Commission may prescribe, an annual report of its operations in such form and content, and in such number of copies as said Commission, from time to time, shall prescribe. Said annual report shall cover the immediately preceding calendar year and shall be made under oath by the owner of the carrier, if an individual, by a partner, if a partnership, or, if a corporation, by the president or secretary of such corporation. Each carrier which has annual gross operating revenues of \$500,000 or more during any calendar year, but which has not been required to file an annual report for that year, shall file an annual report for the calendar year following the year during which it reached or exceeded the \$500,000 gross annual revenue level. The foregoing provision applies to carriers filing for the first time, and to those carriers again required to file because of regaining the revenue magnitude making filing of reports mandatory. If at the end of any calendar year a carrier's annual gross operating revenue is less than \$500,000, and has been for three consecutive years, such carrier shall not be required to file an annual report for that year.

Section 2. The failure of a carrier to file an annual report in accordance with the requirements of this General Order will subject such carrier to the cancellation, revocation, or suspension of its operating permit or in the alternative to a fine as provided by Section 5285 of the Public Utilities Code, or to such other penalty as provided by law.

Section 3. After the cancellation or revocation of a permit or during the period of its suspension, it is unlawful for a household goods carrier to conduct any operations as such a carrier.

Issued at San Francisco, this 2nd day of April, 1980.
