SUBJECT: Order authorizing Dominguez Water Corporation to increase rates for water service in Los Angeles County, to offset increases in charges for electric power and replenishment assessment.

WHEREAS: DOMINGUEZ WATER CORPORATION, by Advice Letter No. 68, filed May 22, 1974, requests authority under General Order No. 96-A, Section VI, and Section 454 of the Public Utilities Code to increase rates for water service in Los Angeles County, and

WHEREAS: The Commission is of the opinion, after investigation by its staff, that the requested rate increase is reasonable,

THE COMMISSION FINDS that the increased rates hereby authorized are justified and that the present rates are, for the future, unjust and unreasonable,

IT IS ORDERED that Dominguez Water Corporation is authorized to make effective the revised rate schedules attached to Advice Letter No. 68 and on the effective date herein to cancel the presently effective rate schedules for water service. The effective date of the revised rate schedules shall be July 1, 1974.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 18th day of June, 1974, the following Commissioners voting favorably thereon:
