**Subject:** Company seeking Certification

Good afternoon. I work with the Kansas Corporation Commission. We have had numerous issues with a company named Local Phone Services d/b/a Best Phone. Owners/managers of the company include Rick Laham a/k/a Rickey Laham, Mr. E. Hisken, and a "consultant" by the name of Paul Saas. We heard rumors that this company was looking at leaving Kansas and starting up business in California. Should you receive an application for this company and/or any of these persons to start doing business in the state, please give me a call. Please forward to the appropriate persons...  
Thanks,

Sandy K. Reams
