## **EVIDENTIARY HEARINGS**

Evidentiary hearings will be held at the designated CPUC hearing room in San Francisco, CA at the dates, times and locations noted above. The CPUC holds EH's whereby the formal parties of record provide testimony and are subject to cross-examination before the CPUC's assigned ALJ. These hearings are open to the public to attend and listen, but only those who are formal parties of record are allowed to participate. The Division of Ratepayer Advocates (DRA), which consists of engineers, accountants, economists and attorneys independently evaluate the proposals of the utilities and present their analysis and recommendations for the CPUC at the EH's. The CPUC has its own court reporters who will record the participation of parties in the EH's. Parties may offer proposals that differ from those presented in the cost proposal presented in SDG&E's testimony. Once hearings are completed, the ALJ will consider all of the evidence presented and release a proposed draft decision. When the CPUC issues a final decision, it may adopt, amend or modify all or part of the ALJ's proposed decision. The final decision may differ from the requests filed by SDG&E in its opt out cost proposal supported by the testimony.
