BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Consider
the Annual Revenue Requirement
Determination of the California Department
of Water Resources and related issues.

Rulemaking 11-03-006
(Filed March 10, 2011)

**ADMINISTRATIVE LAW JUDGE'S RULING REGARDING THE DATE OF
ISSUANCE OF DECISION 12-11-040 AND SHORTENING OF TIME FOR
RESPONSES TO ANY APPLICATION FOR REHEARING**

At the November 29, 2012 Commission meeting, the Commission voted to adopt Decision (D.) 12-11-040. As voted upon, D.12-11-040 was comprised of the text of the proposed decision and Appendix A that appeared on the Commission's meeting agenda as Item 32, and which will be published on the Commission's website on December 11, 2012. D.12-11-040 allocates the 2013 revenue requirement determination of the California Department of Water Resources to the electricity customers of Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southern California Edison Company (SCE). The effective date of D.12-11-040 is November 29, 2012.

D.12-11-040 is subject to the shortened time period for the filing of an application for rehearing and the expedited decision on the rehearing application as described in Pub. Util. Code § 1731(c). To allow sufficient time to prepare a decision on any application for rehearing of D.12-11-040 that may be filed, this ruling provides notice that the date of issuance of D.12-11-040 will not be until December 11, 2012.

With a date of issuance of December 11, 2012, and in accordance with Pub. Util. § 1731(c), an application for rehearing of D.12-11-040 must be filed with the Commission's Docket Office and served by December 21, 2012.

The normal time for filing a response to an application for rehearing is no later than 15 days after the day the application for rehearing was filed. However, due to the Pub. Util. § 1731(c) requirement that a decision on the rehearing application be issued within 20 days after the filing of the rehearing application, and so that the Commission may have sufficient time to consider any response to any application for rehearing that may be filed, the time for filing a response to the application for rehearing should be shortened to December 28, 2012.

Due to the expedited rehearing schedule, any application for rehearing and response must be served by electronic mail on the service list for this proceeding for those who provided an e-mail address, and by first class mail or other expeditious mode of delivery to those who have not provided an e-mail address. In addition, any application for rehearing and response must be electronically served on Helen W. Yee (yee@cpuc.ca.gov).

PG&E, SDG&E, and SCE are still required under Ordering Paragraph 9 of D.12-11-040 to file their Tier 1 Advice Letters within 10 days of December 11, 2012.

IT IS RULED that:

1. The date of issuance of Decision 12-11-040 will be December 11, 2012.
2. Pursuant to Pub. Util. Code § 1731(c), if an application for rehearing of Decision 12-11-040 is filed, it must be filed by December 21, 2012 with the Commission's Docket Office.

3. The time for filing a response to any application for rehearing of Decision 12-11-040 that may be filed is shortened, and any party filing such a response must file the response with the Docket Office by December 28, 2012.

4. Any party filing an application for rehearing of Decision 12-11-040, or a response to the rehearing application, must file and serve a copy in the manner specified in this ruling.

Dated December 11, 2012, at San Francisco, California.
