**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Continue Implementation and Administration of California Renewables Portfolio Standard Program.

Rulemaking 11-05-005  
(Filed May 5, 2011)

**ADMINISTRATIVE LAW JUDGE'S RULING  
ESTABLISHING A PROCEDURE TO ACCEPT NEW NOTICES OF INTENT  
TO CLAIM INTERVENOR COMPENSATION AND GRANTING MOTION  
FOR PARTY STATUS**

This ruling establishes a procedure for customers to file new notices of intent (NOIs) to claim intervenor compensation under § 1801 of the Pub. Util. Code in this proceeding. Customers, as defined in § 1801, will be permitted to file new NOIs for 30 days after the date of this ruling. In addition, this ruling grants the motion for party status filed by Waste Management.

This proceeding was initiated by the Commission on May 5, 2011. The first scoping memo was issued on July 8, 2011, *Scoping Memo and Ruling of Assigned Commissioner*. Two subsequent scoping memos have been issued. An amended scoping memo was issued on September 12, 2012, *Amended Scoping Memo and Ruling of Assigned Commissioner*, and a second amended scoping memo was issued on January 9, 2013, *Second Scoping Ruling and Ruling of Assigned Commissioner*. These scoping memos frame additional issues for the Commission's consideration in this proceeding. As a result, additional customers may seek to participate in this proceeding and seek an award of

intervenor compensation under § 1801 of the Pub. Util. Code. In the absence of a scheduled prehearing conference, which typically sets a 30-day time period for customers seeking to file new NOIs, the statute permits the Commission to establish its own procedure for accepting new NOIs.

Therefore, at this stage of the proceeding, it is reasonable to establish a procedure for the Commission to accept new NOIs to claim intervenor compensation. Under the procedure established today, interested customers may file a new NOI to claim intervenor compensation within 30 days from the date of this ruling.

On April 2, 2013 Waste Management filed a motion for party status. This motion is granted.

**IT IS RULED that:**

1. Parties may file a notice of intent to claim intervenor compensation under § 1801 of the Pub. Util. Code within 30 days of the date of this ruling.
2. The motion for party status filed by Waste Management is granted.

Dated April 16, 2013, at San Francisco, California.
