**ASSIGNED ADMINISTRATIVE LAW JUDGE'S RULING SETTING
PREHEARING CONFERENCE**

Evidentiary hearings in this proceeding are scheduled for August 25, 26, and 27, 2015.

The parties are directed to meet and confer to identify disputed issues of material fact within the scope of this proceeding on which cross examination is required. The parties are reminded that cross-examination is not the place for policy or legal arguments, which can be addressed in briefs. To the extent the testimony shows factual disputes on issues determined by the assigned Commissioner to be within the scope of this proceeding, the parties should collaborate on a proposed schedule for any needed cross-examination.

A Prehearing Conference will be held as set forth below for the purpose of determining whether cross-examination is required and, if so, to adopt a schedule for the needed witnesses.
