  - Page 4368, line 8: replace “Calpine-05” with “Calpine-08”
  - Page 4368, line 10: replace “Calpine-05” with “Calpine-08”
- Page 4413, lines 6 through 28, and page 4414, line 1 should be deleted in their entirety.<sup>2</sup>

<sup>1</sup> Calpine-08 (“February 6, 2014 Exceptional Dispatch CPM Designation Report and Capacity Procurement Mechanism Designations Issued 9/8/11”) was mismarked as Calpine-05 in Volume 31. This marking error was corrected in Volume 32 at page 4413, lines 6-28 and page 4414, line 1; however, erroneous references in Volume 31 to Calpine-05 were not corrected. Calpine’s proposed corrections will ensure that all references in the transcript to the exhibit “February 6, 2014 Exceptional Dispatch CPM Designation Report and Capacity Procurement Mechanism Designations Issued 9/8/11” are to Calpine-08.

<sup>2</sup> Due to the proposed correction explained in footnote 1, this portion of the transcript would no longer be necessary and should be deleted, as it suggests that Calpine-05 has not been entered into the record. We note that the original Calpine-05 is the “CAISO 2013 Annual Report on Market Issues and Performance” that was, in fact, identified on page 3516 at lines 17-20 and entered into the record on page 3581 at lines 19-23.
