NOTICE OF EX PARTE COMMUNICATION

Pursuant to and in accordance with Rules 8.3 and 8.4 of the Commission's Rules of Practice and Procedure of the Commission's Rules of Practice and Procedure, Robert Castaneda, Chairman of the Low Income Oversight Board submits this Notice of Ex Parte Communication in the above captioned matters.

On behalf of himself, Robert Castaneda, a Low Income Oversight Board Member and its Chair (LIOB) emailed separate letters to the CPUC Commissioners and the President regarding the aforementioned proceeding. In this letter(s) comments regarding the PD and the APD (Adopting Measures in Response to the San Aliso Canyon Natural Gas Leak Emergency) were delineated.

These letters were emailed to both the President of the CPUC and the full Commission containing supportive comments on the APD with regard to problematic issues with the 10%

energy efficiency threshold; supporting the APD to approve the provision that would enable Commissioner Sandoval authority on this response; and to support the IOUs with a system wide approach to any approved measures in response to the emergency regulation.

These letters are attached.

Respectfully submitted,
