**OFFICE OF RATEPAYER ADVOCATES'
MOTION TO REDACT CONFIDENTIAL INFORMATION
FROM THE JUNE 1, 2016 PREHEARING CONFERENCE TRANSCRIPT**

Pursuant to Rule 11.1 of the Rules of Practice and Procedure of the California Public Utilities Commission (“Commission”) the Office of Ratepayer Advocates (“ORA”) submits this Motion to Redact Confidential Information from the June 1, 2016, Prehearing Conference Transcript (“Motion”).

On June 1, 2016, Administrative Law Judge Kelly Hymes held a prehearing conference to discuss Pacific Gas and Electric Company’s (“PG&E”) Application (A.) 16-02-019. Between 1:30 P.M. and 2:00 P.M., the parties discussed the scope of the proceeding. ORA requested the Commission add to the scope the question of whether PG&E met its burden of proof for cost recovery associated with the greenhouse gas program. ORA listed three specific issues, which included the approximate dollar amounts for direct and indirect costs.

After the prehearing conference, ORA and PG&E conferred and agreed that the dollar amounts for direct and indirect costs are confidential. As such, ORA requests the

Commission redact the dollar amounts associated with the direct and indirect costs mentioned at the prehearing conference.

ORA respectfully requests the Commission grant ORA's Motion.

Respectfully submitted,
