Order Instituting Rulemaking on the
Commission's Own Motion to Conduct a
Comprehensive Examination of Investor Owned
Electric Utilities' Residential Rate Structures, the
Transition to Time Varying and Dynamic Rates,
and Other Statutory Obligations.

Rulemaking 12-06-013
(Filed June 21, 2012)

**NOTICE OF *EX PARTE* COMMUNICATION BY
SAN DIEGO GAS & ELECTRIC COMPANY (U902E)**

In accordance with Rule 8.4 of the Commission's Rules of Practice and Procedure, **SAN DIEGO GAS AND ELECTRIC COMPANY (SDG&E)** hereby gives notice of the following *Ex Parte* communication in the above proceeding.

On Monday, May 16, 2016 at 10:00 a.m., Brian Prusnek, Director of Regulatory Affairs at SDG&E met with Ehren Seybert, Advisor to Commissioner Carla Peterman at the California Public Utilities Commission located at 505 Van Ness Ave, San Francisco. The meeting lasted approximately 30 minutes. Communication was oral and written. The written material is Attachment A, filed with this notice.

Mr. Prusnek stated that SDG&E's Advice Letter as filed is compliant with the CPUC's Decision in D.15-07-001 (Decision). Furthermore, the rates in the Advice Letter are consistent with the impacts SDG&E provided to the CPUC for the Decision. Mr. Prusnek asked that at a minimum, the appropriate reference point for any rate change must be the currently effective rates and not some arbitrary reference point as proposed in the Draft Resolution.
