MARIN CLEAN ENERGY NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.4 of the Commission’s Rules of Practice and Procedure, Marin Clean Energy (“MCE”) hereby gives notice of the following *ex parte* communication. The communication was initiated by MCE and occurred on October 6, 2016 at approximately 11:40a.m. at the California Public Utilities Commission offices. The communication was between Beckie Menten, MCE Director of Customer Programs, and David Gamson, Chief Advisor to Commissioner Peterman, and lasted approximately 30 minutes. The communication was oral and no written materials were provided.

In the meeting, Ms. Menten discussed Decision 16-08-019. Ms. Menten discussed the role of Community Choice Aggregator’s (“CCAs”) in the context of the new statewide and third party programs. Ms. Menten also sought guidance on attribution for statewide programs, specifically, how to determine the share apportioned to CCAs due to an inconsistency in the Decision. Ms. Menten also discussed MCE’s proposals for the downstream pilots.

Respectfully submitted,

/s/ Catalina Murphy
