NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.3 of the Rules of Practice and Procedure of the California Public Utilities Commission (Commission), Intervenors hereby give notice of an *ex parte* communication in the above-captioned proceeding.

On August 17, 2016, at approximately 1 pm, Citizen Intervenor Peggy Ludington and April Sommer, counsel for Center for Biological Diversity jointly met with David Peck, Advisor to Commissioner Michael Picker for approximately 1 hour, 15 min at the Commission's offices in San Francisco, California.

The communication was initiated by Intervenors. It consisted of an oral conversation wherein Intervenors requested a Hold on Item #2 the Moorpark-Newbury 66 kV Subtransmission Line Project from the August 18, 2016 agenda to allow Commission consideration of the proposed decision and Intervenors' Joint Motion to Set Aside Submission. Intervenors also explained the procedural history leading up to the Proposed Decision and reviewed key points of their positions on various issues involving procedure, California Environmental Quality Act, unfair practices and improper communications between Southern California Edison and Commission staff. Intervenor Peggy Ludington showed the attached Exhibit A, an aerial image of land belonging to Intervenors Alan and Peggy Ludington.

Respectfully submitted,

Date: August 19, 2016
