**ADMINISTRATIVE LAW JUDGE'S RULING  
SETTING PREHEARING CONFERENCE**

A prehearing conference (PHC) is set for 2:00 p.m., on Tuesday, October 25, 2016, at the Commission's Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA 94102 regarding this proceeding, the *Application of Pacific Gas and Electric Company (PG&E) for Compliance Review of Utility Owned Generation Operations, Electric Energy Resource Recovery Account Entries, Contract Administration, Economic Dispatch of Electric Resources, Utility Retained Generation Fuel Procurement, and Other Activities for the Period January 1 through December 31, 2013.*

On October 13, 2016, the assigned Administrative Law Judge (ALJ) sent an e-mail to PG&E and copied other parties and the service list of this proceeding. In the e-mail, the ALJ informed PG&E that he had identified a concern regarding the June 25, 2013 outage at PG&E's Diablo Canyon Power Plant that is one of the

matters in dispute in this proceeding. The Apparent Cause Evaluation of that outage is part of confidential testimony submitted by the Commission's Office of Ratepayer Advocates (ORA). The ALJ asked PG&E to consult with ORA and other parties in order to determine an effective means of discussing this confidential material; after consultations, PG&E suggested either a telephonic conference call or, if it is necessary to put the matter on the record, an appearance at the Commission to address the issue.

In order to ensure clarity of the record, this PHC is scheduled to review the Apparent Cause Evaluation of the 2013 outage at Diablo Canyon Power Plant, Unit 1, as contained in ORA's confidential Exhibit ORA 1-C, and to address other procedural issues that may arise.

**IT IS RULED** that a prehearing conference is set for 2:00 p.m. on Tuesday, October 25, 2016, at the Commission's Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA 94102.

Dated October 19, 2016, at San Francisco, California.
