**NOTICE OF EX PARTE COMMUNICATION OF

CALIFORNIA GAS COMPANY (U 904 G)**

Pursuant to Rule 8.4 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure, San Diego Gas and Electric Company ("SDG&E") and Southern California Gas Company ("SoCalGas") hereby give notice of the following *Ex Parte* communications in the above proceeding.

On Thursday, September 22, 2016 at approximately 11:30 a.m., Brian Prusnek, Director of Regulatory Affairs for SDG&E and SoCalGas had an in-person meeting with John Reynolds, Advisor to Commissioner Carla Peterman. The meeting was held at the Commissioner's Office located at 505 Van Ness Avenue in San Francisco, California, and lasted about 30 minutes. Mr. Prusnek discussed the Proposed Decision's disallowance of certain insurance costs. Mr. Prusnek expressed his appreciation for a well-written Proposed Decision but asked that the specific disallowance be instead allowed or in the alternative, denied without prejudice while directing the companies to propose in another application the recovery of these costs. Mr. Prusnek detailed how these types of insurance costs work and how they are recovered in other capital

projects. The meeting was initiated by Mr. Prusnek from SDG&E and SoCalGas and communication was oral and by written presentation (Attachment A).
