Subject: A16-06-013 Email Ruling Memorializing Telephonic STC and Setting Schedule

Parties- thank you for two extremely fruitful status conferences on 3/6 and 3/7/17. As promised, this email memorializes the outcome of those discussions.

1) The following schedule will apply:

Event	Date	Who	Notes
Email notification by PG&E and CLECA on whether they will submit a joint exhibit	3/8/17 COB	PG&E/CLECA	
Testimony (if needed)	3/10/17	Parties	
Joint Exhibit or Rebuttal (if needed)	3/17/17	PG&E/CLECA or PG&E	
Notification of desire to Cross Examine	3/21/17 COB	Parties	Email ALJ Cooke of desire to cross

			examine PG&E or any party/ joint parties submitting testimony
Evidentiary Hearings (if needed)	3/23-24/17	ALJ will convene if desire to cross examine is identified	Briefing schedule if needed: Opening 4/5/17, Reply 4/12/17
Comments- assuming no cross examination is rerquested	3/27/17	Parties	Comments must include proposed changes to the proposed pilot as well as the rationale for such changes
Replies	4/10/17	Parties	
Proposed Decision	5/26/17	ALJ	To allow 45 day review period
Decision adopted	7/13/17	CPUC	

- 2) At the close of the 3/7/17 status conference, I raised the question of whether the recently filed petition for modification by SCE in R.13-12-011 to be relieved of the obligation to have a matinee pricing pilot impacted the timing issues that are driving the schedule for PG&E's matinee pricing pilot decision. Parties may address this topic in comments or briefs as needed.

Docket Office shall formally file this ruling.
