**ADMINISTRATIVE LAW JUDGE'S RULING  
SETTING EVIDENTIARY HEARINGS**

Evidentiary hearings in this proceeding are set for October 11 and 12, 2017, at the Commission Courtroom, 505 Van Ness Avenue, San Francisco, California, at 9:30 am.

On September 11, 2017, an e-mail ruling directed parties to file Comments no later than Monday, September 18, 2017, if they believed evidentiary hearings were needed in this proceeding, and to include: 1) a brief statement of why evidentiary hearings would be necessary or useful; and 2) identification of all disputed or contested material issues of fact to be addressed in hearings.

Comments were filed by the California Community Choice Association (CalCCA) and jointly by Southern California Edison Company, Pacific Gas and Electric Company and San Diego Gas & Electric Company (Joint Utilities). Both CalCCA and the Joint Utilities believe that evidentiary hearings are needed, and identified a number of potentially disputed or contested material issues of fact.

Accordingly, evidentiary hearings have been set for October 11 and 12, 2017. In order to make efficient use of the time available for hearings, parties are directed to meet and confer prior to the hearings in order to: 1) stipulate to

foundational facts; 2) prioritize issues to be addressed at hearings; 3) determine the order of witnesses; 4) determine the order of cross examination; and 5) develop cross-examination estimates. All of these items are to be provided to the assigned Administrative Law Judge in writing no later than the beginning of the evidentiary hearings.

**IT IS RULED that:**

1. Evidentiary hearings in this proceeding are set for October 11 and 12, 2017, at the Commission Courtroom, 505 Van Ness Avenue, San Francisco, California, at 9:30 a.m.

2. The parties are directed to meet and confer prior to the hearings.

3. The results of the parties' meet- and- confer will be provided in writing to the assigned Administrative Law Judge no later than the beginning of the evidentiary hearings.

Dated September 20, 2017, at San Francisco, California.
