Subject: R.15-05-006, E-Mail Ruling that Revises the Form of the Maps that Are Provided in the Document Due on October 5, 2017

Service List for Rulemaking 15-05-006,

This E-Mail Ruling revises the form of the maps that are provided in the document that the Peer Development Panel (“PDP”) is required to file and serve on October 5, 2017. Specifically, instead of including maps in the document, the PDP may provide internet links to the maps.

Background

Pursuant to a ruling issued by an assigned Administrative Law Judge (ALJ) on September 27, 2017, at page 4, Table, Row 2, the PDP is required to file and serve on October 5, 2017, a document that provides specified

information and maps regarding the Independent Review Team’s (“IRT”) initial statewide Shape B Map filed by the PDP on October 2, 2017. On September 28, 2017, during the publicly noticed monthly status conference, the PDP stated that its workload with respect to the document due on October 5, 2017, would be reduced substantially if the maps that are supposed to be provided in that document were instead posted on the web portal that is being used for the development of Fire Map 2.

Ruling

The ALJ ruling issued on September 27, 2017, at page 4, Table, Row 2, is amended so that the maps the PDP is required to include in the document due on October 5, 2017, may instead be provided via internet links to the web portal that is being used for the development of Fire Map 2. The maps posted on the web portal shall be in KML and/or PDF formats, and shall be available to the public. Row 2 of the Table in the September 27, 2017, Ruling is amended to include a third bullet, as set forth below:

Row	Event	Date
2.	<ul style="list-style-type: none"> • The ALJ rulings issued on September 1 and September 19, 2017, are amended to replace all references to the term “IRT-approved Shape B Map” with “initial IRT Shape B Map filed by the PDP on October 2, 2017” identified in Row 1 of this table. • The PDP files and serves on October 5, 2017, a document that provides the information specified in the ALJ rulings issued on September 1 and September 19, 2017, as amended by today’s E-Mail Ruling. • The maps that the PDP is required to include in the document due on October 5, 2017, may be provided via internet links to the web portal that is being used for the development of Fire Map 2. The maps posted on the web portal shall be in KML and/or PDF formats, and shall be available to the public. 	October 5, 2017

The first paragraph of the document filed on October 5, 2017, shall state that it is being filed pursuant to ALJ rulings issued on September 1, 19, and 27, 2017, and today's E-Mail Ruling. This E-Mail Ruling is being issued pursuant to Ordering Paragraph 3 of Decision 17-06-024, which authorizes the assigned ALJs to revise the proceeding schedule and procedures adopted by that Decision.

The Commission's Docket Office shall formally file this E-Mail Ruling.

It Is So Ruled.

Dated October 2, 2017, at San Francisco, California.
