The community meeting will allow the Commissioner, CPUC staff, and members of the public to discuss the impact of the transportation electrification applications and proposals of Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas & Electric Company on local communities, and to gather feedback on community needs in regards to clean transportation alternatives.

The meeting will include a presentation by CPUC staff on the utility's transportation electrification proposals, and the CPUC's activities regarding transportation electrification. This will be followed by comments by community groups and the public regarding the impact of these projects on local

communities. The community meeting will be recorded by videotaping, or some other recording medium.

The meeting is scheduled as follows:

Date and Time	Location
December 4, 2017 6:00 p.m.- 8:00 p.m.	Fresno City Council Chambers 2600 Fresno Street Fresno, CA 93721

The Commissioners' advisors and the assigned Administrative Law Judges may also be in attendance at the community meetings.

Rule 8.1(c) of the CPUC's Rules of Practice and Procedure states in part that an *ex parte* communication means a written or oral communication that "does not occur in a public hearing, workshop, or other public forum noticed by ruling or order in the proceeding, or in the record of the proceeding." The community meeting is being noticed through this ruling, and will appear in the CPUC's Daily Calendar. As a result, any discussion regarding the issues in these proceedings at the community meeting is not subject to the *ex parte* reporting requirement for the aforementioned consolidated proceedings.
