BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Develop an Electricity Integrated Resource Planning Framework and to Coordinate and Refine Long-Term Procurement Planning Requirements.	Rulemaking 16-02-007 (Filed February 11, 2016)
---	---

**MOTION OF THE VALLEY CLEAN ENERGY ALLIANCE
FOR PARTY STATUS**

Pursuant to Rules 1.4 and 11.1 of the Rules of Practice and Procedure of the California Public Utilities Commission, the Valley Clean Energy Alliance (VCEA) hereby moves to become a party to the above-captioned proceeding.

The VCEA seeks party status in the above-captioned consolidated proceedings for the following reasons:

Valley Clean Energy Alliance (“VCEA”) was formed as a Joint Powers Authority of the City of Davis and County of Yolo in 2016. The City of Woodland joined the Joint Powers Authority in June 2017. The members formed VCEA for the purposes of implementing a community choice aggregation (“CCA”)/Community Choice Energy (“CCE”) program to allow VCEA to provide electric generation service within their respective jurisdictions. VCEA as a new CCA entity, will be initiating customer service in June 2018. VCEA anticipates serving approximately 59,000 service accounts, which are expected to consume about 750,000 megawatt hours per year. VCEA has contracted with Sacramento Municipal Utility District as its wholesale energy services provider to procure energy resources on its behalf including those necessary to satisfy RPS and discretionary renewable energy requirements for its beginning years of operation.

In accordance with the Commission's Decision 18-02-018, VCEA plans to file its 2017 Integrated Resource Plan with the CPUC in this proceeding.

The VCEA intends to be active, and make further filings, in this proceeding.

Copies of all pleadings, notices, rulings, orders and other correspondence in this proceeding may be served on:

The VCEA's participation in this proceeding will not prejudice any party and will not delay the schedule or broaden the scope of the issues. For the reasons stated above, the VCEA respectfully requests that the Commission grant this Motion Requesting Party Status.

Dated April 11, 2018

Respectfully Submitted,
