ADMINISTRATIVE LAW JUDGE’S RULING RECEIVING EXHIBIT PG&E-55
INTO EVIDENCE

Summary

This ruling identifies and receives PG&E-55 into evidence.

Discussion

On May 14, 2018, Pacific Gas and Electric Company (PG&E) served a notice of availability of exhibit PG&E-55 to the service list in application (A.) 16-06-013. On May 29, 2018, counsel for PG&E requested that the assigned Administrative Law Judges (ALJs) in this proceeding receive into evidence the updated information in exhibit PG&E-55, which according to PG&E reflects the effect of the new tax law and changes in cost of capital on the figures in exhibits PG&E-24 and ORA-3.

According to PG&E, this updated testimony was made in compliance with the agreements between PG&E, the Office of Ratepayer Advocates (ORA) and the Utility Reform Network (TURN), as memorialized in exhibit PG&E-24. According to PG&E, its receipt into evidence is necessary to create a full and complete record in this proceeding, and for use in other proceedings in the consideration of a potential future residential fixed charge, as agreed by the parties.

Good cause being shown, this ruling marks for identification exhibit PG&E-55, a supplemental exhibit of updated data related to exhibits PG&E-24 and ORA-3, dated May 14, 2018. This ruling also receives exhibit PG&E-55 into evidence.
Due to the large size of the exhibit, and to ensure that a physical copy of the exhibit is stored in the CPUC’s central files, PG&E must supply the CPUC with an archival grade digital video disc (DVD) containing PG&E-55.

IT IS RULED that:

1. Exhibit PG&E-55 is identified and received into evidence.
2. PG&E must supply the CPUC with an archival grade digital video disc (DVD) containing PG&E-55.

Dated June 11, 2018, at San Francisco, California.
