**Subject:** R.15-03-010, Email Ruling Granting Pilot Team and PG&E's Joint  
Request for Modification of the Assigned Commissioner's October 3, 2018 Ruling

Parties to R.15-03-010,

On Friday, November 2, 2018, the Pilot Team and Pacific Gas and Electric Company (PG&E) moved to modify an order contained in the "Assigned Commissioner's Ruling Proposing Phase II Pilot Projects in Twelve Communities in the San Joaquin Valley and Noticing All-Party Meeting," issued on October 3, 2018 (ACR). This motion is approved.

The ACR directed PG&E, in coordination with the Pilot Team and Cal Advocates, to communicate with community residents, convene a community meeting and provide residents of Allensworth and Seville an opportunity to provide recommendations on which of two pilot options described in the ACR should be implemented in their communities. The Pilot Team and PG&E indicated in their motion that they have each collected and have in their respective possession recommendation forms executed by community residents. The Pilot Team and PG&E's requested modification is to clarify that both PG&E and the Pilot Team have until November 7, 2018 to file the resident recommendations they have respectively collected from residents of the pilot communities of Allensworth and Seville.

The October 3, 2018, "Assigned Commissioner's Ruling Proposing Phase II Pilot Projects in Twelve Communities in the San Joaquin Valley and Noticing All-Party Meeting" is modified to state: "PG&E and the Pilot Team shall have until November 7, 2018 to serve and file the resident recommendations they have respectively collected from residents of the pilot communities of Allensworth and Seville."

Pacific Gas and Electric Company and the Pilot Team shall state in the Opening Paragraph of their November 7, 2018 filings that email ruling of ALJ Cathleen Fogel, dated November 6, 2018 granted both PG&E and the Pilot Team permission to serve and file the resident recommendations they have collected.

**THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.**

**Subject:** R.15-03-010, Pilot Team and PG&E Joint Request for Modification of the  
Assigned Commissioner Ruling

To the Honorable ALJs Darcie L. Houck and Cathleen A. Fogel:  
The Pilot Team and Pacific Gas and Electric Company (PG&E) move for modification of an order contained in the “*Assigned Commissioner’s Ruling Proposing Phase II Pilot Projects in Twelve Communities in the San Joaquin Valley and Noticing All-Party Meeting*,” issued on October 3, 2018 (ACR). The request is for modification of the following order on page 27: “PG&E shall have until November 7, 2018 to serve and file the resident recommendations.” The requested modification is to state: “PG&E and the Pilot Team shall have until November 7, 2018 to serve and file the resident recommendations they have respectively collected from residents of the pilot communities of Allensworth and Seville.” As brief background, the ACR ordered, at page 26: “PG&E in coordination with the Pilot Team and Cal PA shall communicate with community residents, convene a community meeting and provide residents [of Allensworth and Seville] an opportunity to provide their recommendation as to which pilot option should be implemented in the community.” In furtherance of this order, PG&E and the Pilot Team each have collected and have in their respective possession recommendation forms executed by community residents. The Pilot Team and PG&E request that each party have the responsibility to file and serve the forms it has collected from community residents. The proposed language is in the first paragraph of this motion. Because of the pending deadline, a ruling is requested on an expedited basis.
