Subject: Email ruling requesting filing/service of SCE updated fire map
information in R1810007 (Wildfire Mitigation Plans)

To counsel for Southern California Edison (SCE) in Rulemaking 18-10-007 (Wildfire Mitigation Plans): Decision 19-05-038 addressed SCE's 2019 Wildfire Mitigation Plan (WMP). The decision

directed SCE, in next year's WMP or sooner if SCE wishes, to propose a process for bringing its "High Fire Risk Areas" into compliance with the Commission's "High Fire-Threat Districts." It has come to my attention that SCE has made a relevant proposal in the proceeding that developed the High Fire-Threat Districts. See [SOUTHERN CALIFORNIA EDISON COMPANY'S \(U 338-E\) PETITION FOR MODIFICATION OF DECISION 17-12-024](#)

To ensure this proceeding contains SCE's filing, I request that SCE file a courtesy copy of the foregoing Petition for Modification in this case, and serve it on the service list for this proceeding.

SCE shall reference this email ruling when it makes the filing in this proceeding.

The Commission's Docket Office shall file this ruling.

IT IS SO RULED.

Sarah R. Thomas, Esq.
Administrative Law Judge
