

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Consumer Protection and Safety Division
Rail Transit Safety Section

Resolution ST-145
October 25, 2012

PUBLIC REDACTED

RESOLUTION

RESOLUTION ST-145 GRANTING APPROVAL OF THE FINAL REPORT OF 2012 TRIENNIAL SECURITY REVIEW OF THE METROPOLITAN TRANSIT SYSTEM.

Summary

This resolution approves the California Public Utilities Commission Consumer Protection and Safety Division final report titled, "2012 Triennial Security Review of Metropolitan Transit System" dated August 10, 2012. The report compiles the results of Commission Staff review of the Metropolitan Transit System Security Program. Only background information and review procedures are included in the public redacted report.

Background

Commission General Order No. 164-D, "Rules and Regulations Governing State Safety Oversight of Rail Fixed Guideway Systems" requires Commission Staff (Staff) to conduct on-site security reviews of transit agencies operating rail fixed guideway systems at least once every three years. Staff conducted an on-site security review of the Metropolitan Transit System (MTS) security program in March 2012.

From 1996 to 2008, the Commission's Rail Transit Safety Section (RTSS) partnered with the Transportation Security Administration (TSA) in performing rail transit agency security reviews. In mid-2008, RTSS dissolved the partnership with TSA and took sole responsibility of the

security reviews. RTSS asked the Federal Transit Administration (FTA) for guidance to standardize the Rail Transit Agency Triennial Security Review format. RTSS worked with FTA to determine what constituted Security Sensitive Information and what should be allowed for public review. In 2009-2010, RTSS management worked with the Commission's Legal Division and FTA and developed an acceptable standard.

A full description of the security review, including the scope, results, and recommendations, is contained in the final security review report identified in this resolution as Attachment A.

The security review results show the MTS is in compliance with its System Security Plan. Staff did not find any areas of non-compliance and no recommendations are issued.

Staff sent to MTS a draft copy of the security review report for a 30-day comment period on July 13, 2012. The SDMTS Chief of Police accepted the draft report by email dated August 21, 2012.

Discussion

The final report, "2012 Triennial Security Review of Metropolitan Transit System," dated August 10, 2012 included as Attachment A, identifies Staff findings and recommendations.

Staff recommends the Commission approve the final security review report titled, "2012 Triennial Security Review of Metropolitan Transit System," dated August 10, 2012.

Notice

On September 21, 2012, this Resolution was published on the Commission's Daily Calendar.

Confidential Information

Public Utilities Code Section 583 states: "No information furnished to the commission by a public utility, or any business which is a subsidiary or affiliate of a public utility, or corporation which holds a controlling interest in a public utility, except those matters specifically required to be open to public inspection by this part, shall be open to public inspection or made public except on order of the commission, or by the commission or a commissioner in the course of a hearing or proceeding. Any present or former officer or employee of the commission who divulges any such information is guilty of a misdemeanor."

The confidential appendices, marked "[CONFIDENTIAL]" in the public copy of this resolution should remain confidential at this time.

Comments

The draft resolution of the Consumer Protection and Safety Division in this matter was mailed to the Parties of Interest on September 20, 2012 in accordance with Section 311 of the Public Utilities Code and Rule 14.2(c) of the Commission's Rules of Practice and Procedure. No comments were received.

Therefore, IT IS ORDERED that:

1. The Consumer Protection and Safety Division's request for approval of the final security review report titled, "2012 Triennial Security Review of Metropolitan Transit System" dated August 10, 2012, is granted.
2. This resolution is effective today.

October 25, 2012

I certify that this resolution was adopted by the Public Utilities Commission at its regular meeting held on October 25, 2012. The following Commissioners voting favorably thereon:
