ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding to January 31, 2014.

Background

Public Utilities Code § 1701.2(d) provides that adjudicatory cases shall be resolved within 12 months of the date that they are initiated unless the Commission finds that deadline cannot be met and issues an order extending it. This matter has been categorized as adjudicatory and the 12-month deadline for resolving this proceeding was May 25, 2012. The parties agreed to an extension of the deadline to July 31, 2012, as noted in the Scoping Memo for this case issued

on September 29, 2011. Decision (D.) 12-07-012 extended the statutory deadline to July 31, 2013.

Discussion

The parties have negotiated a settlement and the assigned Administrative Law Judge has prepared a proposed decision approving the settlement. However, it is presently unknown whether the Commission will adopt the proposed decision and, if it does not do so, further negotiation between the parties will be necessary to arrive at a revised settlement which the Commission will approve.

Waiver of Comments

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of decisions extending the deadline for resolving adjudicatory proceedings. We waive the period for public review and comment pursuant to this rule.

Assignment of Proceeding

Catherine J.K. Sandoval is the assigned Commissioner and Karl J. Bemserfer is the assigned Administrative Law Judge in this proceeding.

Finding of Fact

An extension of time until January 31, 2014 is necessary in order to allow the Commission time to review the proposed decision and, if necessary to allow the parties time to negotiate and document a revised settlement.

Conclusions of Law

1. Pursuant to the authority granted the Commission under Public Utilities Code Section 1701.2(d), the statutory deadline for this proceeding should be extended for 7 months.

2. Pursuant to Rule 14.6(c)(4), the comment period for the proposed decision should be waived.

IT IS ORDERED that the statutory deadline for this proceeding is extended to January 31, 2014.

This order is effective today.
