The Commission's policy is to schedule hearings (meetings, workshops, etc.) in locations that are accessible to people with disabilities.

The CPUC encourages all Californians to participate in its meetings, hearings, workshops, and proceedings. We try to hold our public meetings only in places that are wheelchair accessible and which can accommodate specialized equipment and other services useful to people with disabilities. Please see the notice of the meeting you wish to attend for more specifics.

If you plan to attend and need specialized accommodations for a particular meeting that are not listed in the notice, request them from the Public Advisor's Office at least three business days in advance of the meeting. Contact the Public Advisor's Office by any one of the following:

The ALJ Division has prepared **Resolution ALJ-289** for the **October 16, 2014**, Commission Meeting. This Resolution Resolves the Appeal from Revocation of Hyros Corporation's (dba Platinum Style Limousine Service) Charter-Party Carrier Permit (PSG-19185, 3754).

This Resolution resolves the appeal from revocation of Hyros Corporation's (dba Platinum Style Limousine Service) (hereafter, Hyros or Appellant) Charter-Party Carrier Permit, issued on April 15, 2014, by the California Public Utilities Commission's Safety and Enforcement Division (SED) pursuant to its authority under Pub. Util. Code § 5387(c) and Resolution TL-19099. SED permanently revoked Appellant's authority to operate under Pub. Util. Code § 5387(c)(1)(E) on claims that Appellant: 1) Knowingly employed a driver who did not possess the appropriate class driver's license while operating a bus in violation of California Vehicle Code (CVC) § 14606 and; 2) knowingly employed a driver without the required certificate to drive a school bus in violation of CVC § 545. SED issued the revocation predicated upon reports from the California Highway Patrol, Enforcement and Planning Division (CHP) dated September 30, 2013 and January 27, 2014.

At the Appeal Hearing neither the CHP nor the SED demonstrated that Appellant knowingly employed a driver who did not possess the appropriate class driver's license while operating a bus. Specifically, while it appears Appellant was not enrolled in the pull notice program and therefore could not demonstrate that its driver possessed the requisite license during the inspection, evidence presented at hearings demonstrates that Appellant's driver did possess the requisite license at the time of the charter. Similarly, neither the CHP nor SED demonstrated that Appellant improperly drove a school bus at the time of the CVC § 545 citation. Specifically, neither the CHP nor SED showed: (1) That the charter was to or from a school; or (2) that the charter was to or from a school activity. Because the charter giving rise to the revocation did not involve a school bus, as defined by CVC § 545, we find that the revocation was erroneously issued.

As the grounds for the revocation by SED was erroneous, it is hereby rescinded. Any Comments should be directed to ALJ Darwin E. Farrar at edf@cpuc.ca.gov.
