ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding to June 28, 2015.

1. Background

Pub. Util. Code § 1701.5(a) provides that ratesetting cases must be resolved within 18 months of the date the scoping memo is issued unless the Commission makes findings why that statutory deadline cannot be met and issues an order extending the 18-month deadline for a period not exceeding 60 days. In this proceeding, the statutory deadline is April 29, 2015.

On July 17, 2014, the Commission issued Decision (D.) 14-07-006, which resolved all issues in this proceeding but also ordered a workshop to be conducted where San Diego Gas & Electric Company (SDG&E) and other interested parties shall develop proposed criteria that should be used to

determine what constitutes least-cost dispatch compliance, and the resulting methodology SDG&E should follow to assemble a showing to meet its burden to prove such compliance for use during the 2014 record period and subsequent inclusion in SDG&E's Energy Resource Recovery Account compliance application in 2015. This proceeding was left open to consider SDG&E's report on that workshop. The workshop was held on October 15, 2014, and SDG&E filed the required workshop report on November 13, 2014. In addition to this filing, on October 21, 2014, SDG&E, Pacific Gas and Electric Company, and Southern California Edison Company filed a joint proposed least-cost dispatch compliance methodology for the Commission's consideration. A proposed decision addressing the joint proposal was issued for public review and comments on April 2, 2015. In order to provide the parties time to comment on the proposed decision and the Commission time to consider and issue a final decision, an extension of time is necessary. Therefore, a 60-day extension of the statutory deadline until June 28, 2015, is appropriate.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of proposed decisions extending the deadline for resolving ratesetting proceedings. Accordingly, the otherwise applicable period for public review and comment is being waived.

3. Assignment of Proceeding

Michel Peter Florio is the assigned Commissioner and Stephen C. Roscow is the assigned Administrative Law Judge in this proceeding.

Findings of Fact

1. The statutory deadline for resolving this ratesetting proceeding is April 29, 2015.
2. A proposed decision addressing the joint proposal was issued for public review and comments on April 2, 2015.
3. A 60-day extension of the statutory deadline is necessary to provide sufficient time for review and to issue a final decision.

Conclusion of Law

Pursuant to the authority granted to the Commission under Pub. Util. Code § 1701.5(a), the statutory deadline should be extended to June 28, 2015.

IT IS ORDERED that:

1. The statutory deadline in this proceeding is extended to June 28, 2015.
