(Filed September 16, 2013)

ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding to July 3, 2016.

1. Background

Pub. Util. Code § 1701.5(a) provides that ratesetting cases must be resolved within 18 months of the date the scoping memo is issued unless the Commission makes findings why that statutory deadline cannot be met and issues an order extending the 18-month deadline for a period not exceeding 60 days.

The scoping memo for this proceeding was issued on March 7, 2014, and the original deadline for resolving the issues in this proceeding was September 6, 2015. In accordance with Pub. Util. Code § 1701.5(a), the Commission has extended the statutory deadline of this proceeding and the most recent Decision (D.) 16-02-027 extended the deadline to May 4, 2016. A proposed decision (PD) resolving this matter was mailed for public review and comments on December 15, 2015, and placed on the January 14, 2016 Commission Agenda as Item 20. On December 22, 2015, Southern California Gas Company filed a

motion to supplement the record. Utility Workers Union of America and The Utility Reform Network filed responses. On January 14, 2016, Item 20 was withdrawn from the Commission's Agenda to address the latest filings.

On February 9, 2016, the instant Application was reassigned from Administrative Law Judge (ALJ) Julie Halligan to ALJ W. Anthony Colbert. On February 22, 2016, the assigned ALJ issued a ruling setting aside submission, reopening the record and granting the motion to supplement the record. Parties filed comments on the supplemental testimony on March 4, 2016 and reply comments on March 14, 2016.

Accordingly, an extension of the deadline established in D.16-02-027 is needed to review the comments and supplemental material and to revise the PD. Today's decision further extends the deadline to July 3, 2016.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of proposed decisions extending the deadline for resolving ratesetting proceedings. Accordingly, the otherwise applicable period for public review and comment is being waived.
