

Decision 16-09-001

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Tierzero for Registration as an Interexchange Carrier Telephone Corporation pursuant to the Provisions of Public Utilities Code Section 1013.

Application 16-04-020
(Filed April 19, 2016)

ORDER RESCINDING DECISION GRANTING TIERZERO A REGISTRATION LICENSE

On August 31, 2016, I issued Decision 16-08-032 granting Tierzero a registration license to provide voice and data telecommunications services to the extent authorized by Decision 94-09-065. I was unaware that there was a protest filed by the Safety and Enforcement Division recommending to either 1.) deny the application for not providing adequate information and the lack of fitness of Tierzero and its founder and CEO, John Carter, or 2.) the application be held until Tierzero provides proof of payment for outstanding public purpose surcharges owed to the Commission. Therefore, pursuant to Resolution A-4661, I am rescinding my Order of Dismissal of August 31, 2016, and this application shall remain open in order for the protest to be addressed.

Application 16-04-020 shall remain open.

This order is effective today.

Dated September 14, 2016 at San Francisco, California.
