AGENDA

Commission Decision 16-06-008 (“the Decision”) resolves issues related to customer authorization for the utility to share data with third party Demand Response providers. This includes completing the Customer Information Service Request Demand Response Provider Form (CISR-DRP Form) in paper form or through a “Click-Through” process.

Pursuant to the Decision, the utilities held working group meetings to “develop a consensus proposal to streamline and simplify the direct participation enrollment process, including adding more automation, mitigating enrollment fatigue, and resolving any remaining electronic signature issues.” (See Ordering Paragraph 9, D.16-06-008).

The consensus proposals detailing plans to implement the “Click-Through” solution will be filed by the utilities as Advice Letters by January 3, 2017. During this workshop, the utilities will present these Advice Letters. For questions about this workshop, please contact Katherine Stockton at katherine.stockton@cpuc.ca.gov.
