**CPUC TO HOLD COMMUNITY MEETING IN FRESNO FOR INPUT ON  
PG&E TRANSPORTATION ELECTRIFICATION PROPOSAL**

SAN FRANCISCO, Nov. 17, 2017 - The California Public Utilities Commission (CPUC) is holding a community meeting in Fresno to get input from the public on the transportation electrification plans of Pacific Gas and Electric Company (PG&E). The meeting is as follows:

**When:** Monday, December 4, 2017, 6 p.m.

**Where:** Fresno City Hall, Council Chambers, 2600 Fresno St., Fresno, CA 93721

Commissioner Carla J. Peterman, who is assigned to the proceeding, will attend and facilitate the discussion. Light refreshments and Spanish interpretation services will be provided.

Electric utilities are required to support the widespread electrification of transportation. PG&E and other utilities have proposed several ways to accomplish this, including by investing in charging infrastructure for electric cars, busses, trucks, and off-road equipment at seaports and airports. The CPUC is seeking public input into these plans. At this meeting, CPUC staff will briefly outline PG&E's proposal, and then ask community members about their concerns and expectations. Members of the public are encouraged to attend to have a say about the transportation electrification needs of their community.

This meeting follows three similar community forums the CPUC held in September in Richmond, Los Angeles, and Chula Vista.

For those unable to attend in person, written comments may be submitted to: CPUC Public Advisor, 505 Van Ness Ave., San Francisco, CA 94102, or via email to [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov). Please

refer to proceeding number A.17-01-022 on any written or email correspondence.

All public comments received are provided to the CPUC's Commissioners and the Administrative Law Judge assigned to the case.

If specialized accommodations are needed to attend, please contact the CPUC's Public Advisor's Office at [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov) or toll free at 866-849-8390 at least five business days in advance of the meeting.

While a quorum of Commissioners and/or their staff may also attend, no official action will be taken.
