NOTICE OF AVAILABILITY

To: All Parties on the Eligible Telecommunications Carriers Service List and Rulemaking (R.)11-03-013 Proceeding Service List

Draft Resolution T-17587. This Resolution approves TruConnect Communications, Inc.'s (U-4380-C) request to add an underlying carrier to its approved Eligible Telecommunications Carrier service area, to exempt it from its ZIP+4 requirement and to expand its ETC Lifeline service area throughout California. The draft resolution is available at the Commission's website at www.cpuc.ca.gov.

On March 1, 2018, the Commission may vote on this resolution or it may postpone votes until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution when adopted by the Commission will be available at the same website.

Pursuant to Public Utilities Code 311(g), the draft resolution is available for public comments. Comments should focus on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date Communications Division receives the comments. Parties must serve a copy of their comments on the same day to the Communications Division staff contact Angel AhSam (aba@cpuc.ca.gov) and to each party set forth using the service list attached to this Notice of Availability.

Comments must be submitted no later than February 19, 2018, which is 10 days before the Commission meeting.

Late-filed comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments late may be filed together with proposed comments.
